**NetAmbit ValueFirst Services Pvt. Ltd.**

Dear Sir/ Madam,

In an effort to continuously improve the usability of internet services like **Google Maps** and Android devices, Google has collaborated with **NetAmbit ValueFirst Services Pvt. Ltd.** ([www.netambit.com](http://www.netambit.com)) and their regional partners to collect, update and assess location performance and accuracy related data.

As part of this process, **NetAmbit ValueFirst Services Pvt. Ltd.** has undertaken our contracted operators to conduct surveys of locations and surrounding areas to validate the location and maps accuracy using its workforce, and/or to collect imagery of places to enhance the helpfulness of **Google Maps**.

The purpose of this exercise is to provide the most updated and accurate information about your business to users that may be searching for you on Google Search, Gemini, or **Google Maps**.

Once the information is processed, it will help internet users to navigate the real world using more up-to-date data.

Please treat this letter as confirmation that this data collection exercise, by the **NetAmbit ValueFirst Services Pvt. Ltd.** workforce is for the purposes described above. We appreciate your cooperation.

If imagery that is published on **Google Maps** becomes out of date, you can request its removal. To do so, follow the below steps also documented on the **Google Maps** Help Center website.

- Search for a place or click it on the map
- On the top left, click the large photo to open the photo gallery
- Click the photo or video you want to report
- On the left side, click More and then Report a problem and fill out the form

Thank you for your collaboration!

Sincerely,

**NetAmbit ValueFirst Services Pvt. Ltd.**
